

## CREATING YOUR E-PORTFOLIO FOR THE UNT PEACE CORPS PREP CERTIFICATE PROGRAM

You will create an e-portfolio of your experiences in the UNT Peace Corps Prep Program that you can share with your Peace Corps recruiter when you are ready to apply to be a Peace Corps Volunteer. The e-portfolio will also serve as your vehicle for submitting your work to earn your UNT Peace Corps Prep Certificate.

Please set up your e-portfolio immediately so that you can update it as you complete PCP experiences. *Pro tip: your e-portfolio will be most meaningful if you are writing about your experiences soon after they occur.*

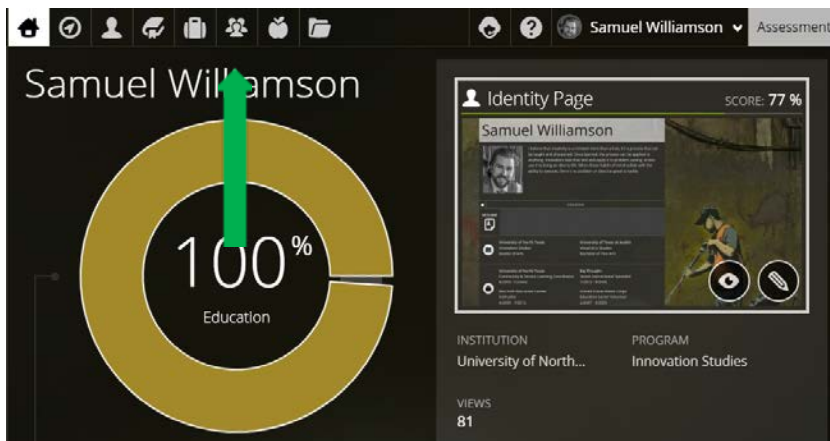

### Directions for setting up your e-portfolio project:

- Log into my.unt.edu
- Look for the “e-portfolio” block on your dashboard and click in the top link (first word of the paragraph that says e-portfolio)

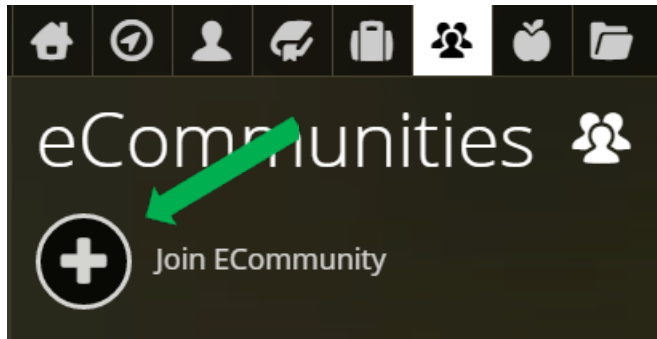

- If you have not yet started your e-portfolio you will be led to sign in again.
- You will be asked to read through the end user license agreement, initial, and agree
- Then, you will identify your anticipated graduation date.
- Pro tip: Fill out your profile information to present alongside your Peace Corps Prep e-portfolio project!*

- Click the eCommunity icon

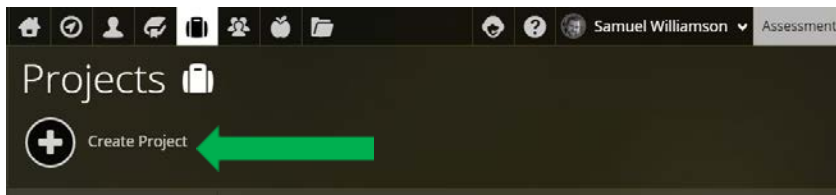

- ❑ Click the join community button and insert community code 6795d20.

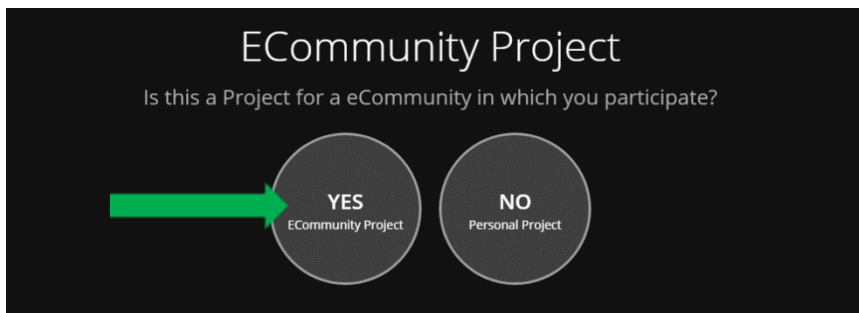

- ❑ Click project icon

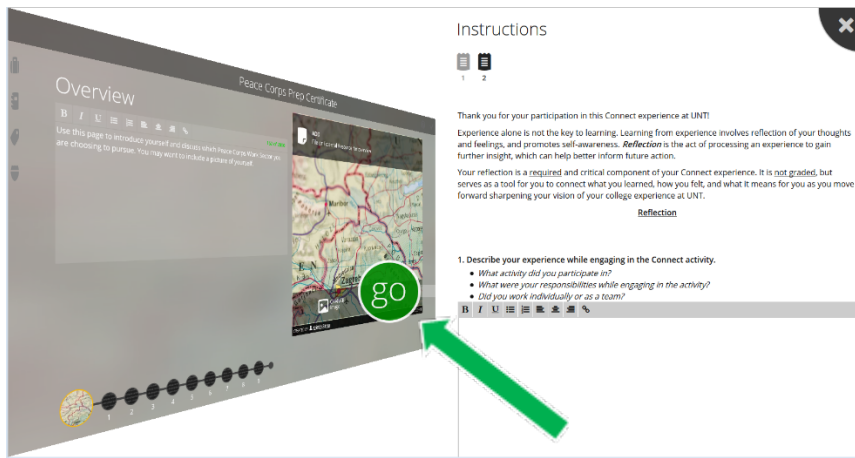

- ❑ Click create project

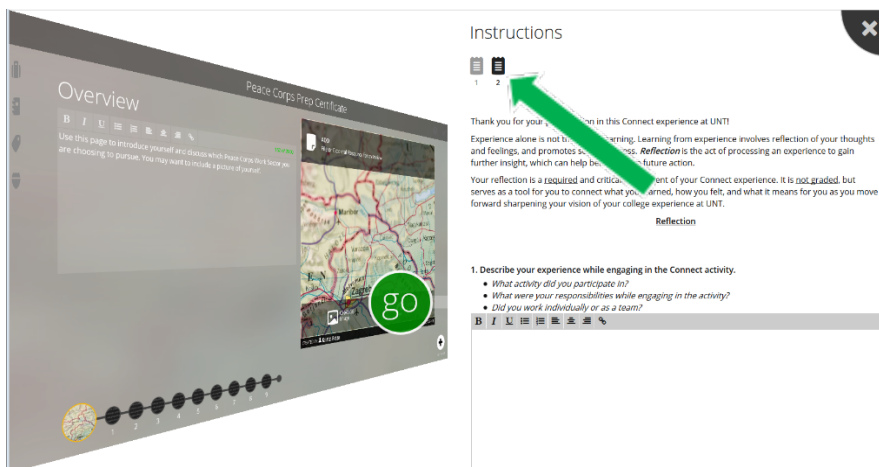

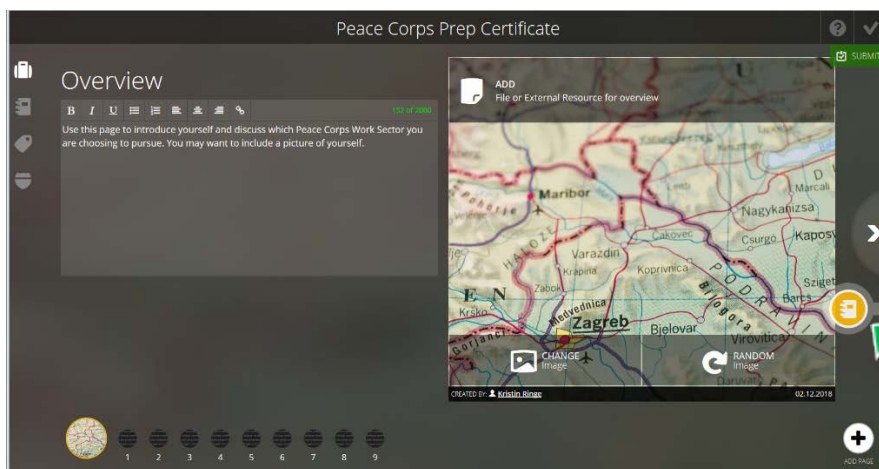

- ❑ Select "YES" on this page. If asked, select "Peace Corps Prep Certificate" and your template will open.

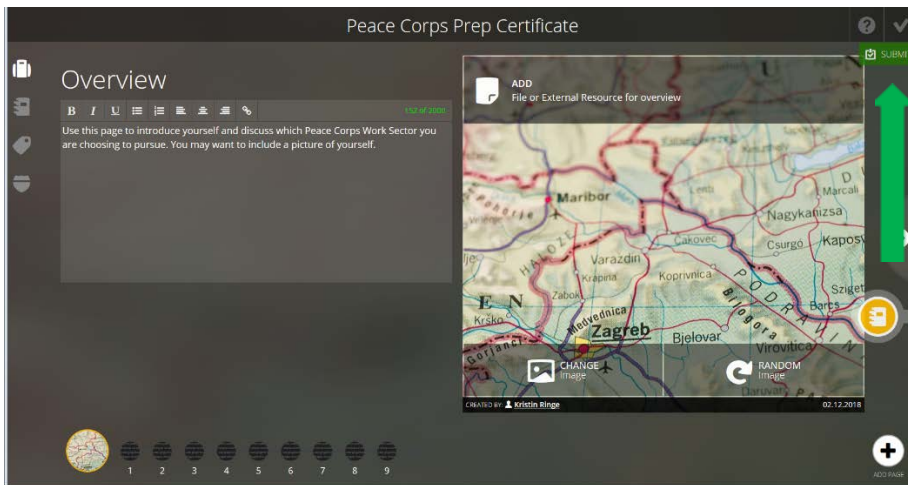

- ❑ Skip reflection questions on the right until you have completed your project. Click “go” and complete pages of template by following prompts. Please personalize your project by changing the graphics and adding your own pictures.

- ❑ Once you have completed your project, please answer the reflections questions on page 2 of the instructions.

- To save your work, click the checkmark.
- To turn in your work, click the submit button and confirm submission
